

Strathmore University

Law School

Achieve excellence in your chosen profession

BACHELOR OF LAWS

We aim at training excellent lawyers; critical thinkers who are able to grasp a better understanding of justice. Our curriculum merges core subjects in legal theory and practice with courses on ethics and humanities making the student an agent of change in East Africa and beyond. We are determined to achieve legal excellence in the quest for justice.

FACTS

Lecturer/student ratio 1:15
Textbook/student ratio 1:6
Personal mentor/student ratio 1:10
Professional coach/student ratio 1:10

"I accepted an offer to study an LLM in International Commercial Law in the University of Bristol.. I did not realise how well the Strathmore Law School had prepared me. For me to join an international institution and not feel intimidated or feel like it was different to what I was used to. I thank Strathmore Law School for the great exposure and for instilling in me the confidence I have today!"

Lucy Mwaura Wangari LLB Graduate

Why Strathmore University?

Our Brand Education

Strathmore shapes global leaders for tomorrow. Our market-oriented courses, industry linkages and opportunities outside the classroom, provide positive career outcomes for our students in their chosen fields.

Mentoring

Strathmore University has a mentoring system in which one-on-one sessions between mentor and student aim to bring the integration of knowledge, skills and values down to the personal level.

Our Graduates

Employers attest that Strathmore graduates distinguish themselves by their work ethic and discipline.

International Experience

Strathmore provides global exposure to students through international academic trips to expand their knowledge.

• July only.

WHAT MAKES SLS DIFFERENT

- High Quality Standards: Top scholars and qualified practitioners, modern U-shape classrooms with e-facilities, access to the best e-journals, and adequate class size will ensure the best lecturer/student ratio and personal contact and follow-up.
- Practical Learning: Legal research centers and clinics have been established within SLS. SLS works closely with local and international law firms of high repute to place students for job placements, internships and attachments.
- Visiting professors drawn from some of the most prestigious law schools in the world

- Academic Trip Abroad: Students of the Law School get a chance to participate in an academic trip to Europe that exposes them to various international legal institutions, and other prestigious law schools and gives them a chance to interact with senior international legal practitioners e.g. judges, prosecutors, defense lawyers etc.
- International language: The SLS curriculum includes a foreign language. Students can choose to study any of the following foreign languages: French, German Japanese Spanish and Chinese
- A wide choice of elective subjects for specialization and thorough in-depth training.
